

Building Better Tomorrows, Today!

It's in the times of greatest need that the unique resources of Habitat for Humanity (HfH) are essential to everyone in our communities. Disasters do strike, and swift responses are needed.

We are prepared. A Brush with Kindness is our response.

This program brings together donated materials, volunteers, and other varied resources. It provides a hand up, not a hand-out, in times of emergency or disaster.

Through this program, we help low-income homeowners who are at-risk of losing their home after a disaster, or are unable to keep their home maintained due to disability or advanced age. With this program, they can continue to live in a safe, decent and affordable house.

A Brush with Kindness has a scope of work that includes exterior painting, landscaping and home repairs. It also provides special grants to cover portions of home rebuilds needed due to massive damage in disaster areas.

With the help of volunteers and donations, A Brush with Kindness preserves housing stock in the North Los Angeles area, including the San Fernando and Santa Clarita Valleys.

And this serves everyone in our surrounding communities.

DISASTER RESPONSE: A BRUSH WITH KINDNESS
