

Building Better Tomorrows, Today!

YOUTH UNITED

They are united in a desire to give something back to their community, and to learn more about affordable housing.

Local Youth United chapters are student-initiated and student-led organizations on high school and college campuses that partner with the local Habitat for Humanity (HfH) to build, fundraise, advocate and educate.

Our HfH affiliate, which serves the San Fernando and Santa Clarita valleys, has a vibrant and growing contingent of these students, including young people from our Habitat communities. They are learning leadership and teamwork skills, and gaining greater understanding of issues surrounding poverty housing.

In fact, we are blessed with one of the largest Youth United programs in the country. We have dozens of chapters on college and high school campuses in the areas where we serve. Through our internship programs, we also provide opportunities for students enrolled in higher education to work with Habitat staff members in the creation of new programs and systems.

Ours is a new Habitat for a new generation.
